March 27, 2020

Dear Members,

During this Nationwide Crisis, the Henry Ford Heritage Association Board is still active and working hard to stay true to our mission to “Foster Interest in the Life and Accomplishments of Henry Ford and to Preserve and Interpret the Landmarks Associated with his Life and Family”.

The Spring 2020 issue of the Ford Legend Newsletter went out in the mail on March 13<sup>th</sup>. Due to the crisis the post office has told us that 3<sup>rd</sup> class mail is going take longer than usual to get to you. If you do not receive your newsletter by April 15<sup>th</sup> you can e-mail [hfha@hfha.org](mailto:hfha@hfha.org) or call 888-687-HFHA(4342).

Because of where we are today, we are “Postponing” our Spring Field Trip to the Ford Piquette Avenue Plant until this Fall. Once everything settles down we will look into dates in October.

We are “assuming” that by June things will start to get back to normal, so at this time we are planning to have the Annual Birthday Dinner on July 30<sup>th</sup> at the Dearborn Country Club. We will keep in close contact with the Dearborn Country Club as we get closer to the event to see if we have to make a change.

We are continuing our new e-newsletter, “HFHA Happenings”, and if you are not signed up to get this e-newsletter you can go to our website [www.hfha.org](http://www.hfha.org) and in the top right hand corner click on the blue HFHA Happenings button to sign up.

We are currently creating a new “Status” page on our website that should be available by the end of the month. This will allow our members to get information as things change. You will be able to go to our website [www.hfha.org](http://www.hfha.org) and in the top right hand corner click on the Red “Status” button and it will take you to the page to download the information.

Remember that during Henry and Clara’s time there were a lot of challenges in the world that they had to overcome. This is just one more time that we must all come together. Hopefully when it is over, we will put things in place so we can better deal with situations like this in the future.

Thank you for your patronage and please be safe and stay healthy.

Respectfully,

*Richard Gatza*
